

Experts in Cruise & Marine logistics

Dedicated marine specialists

Allport Netherlands understands the challenges and critical importance of on time delivery, reliability and agility in Cruise & Marine Logistics Solutions. We have dedicated specialists who take personal accountability 24/7 to ensure that all requirements are met without exception.

We handle storage, supply and distribution of all necessities for (cruise) ships calling at various ports worldwide by air, ocean and overland. Our clients can always rely on swift solutions and service whenever they need it. The marine logistics team consists of highly qualified logistics experts with many years of experience in the maritime industry.

Our passion for servicing this industry results in world class operational performance, all supported by a global logistics information management system.

We offer flexible and reliable solutions to meet shipowners' different needs, as for seagoing vessels and those located in international shipyards.

In the marine industry, unexpected situations and shortages must be dealt with seamlessly; Allport Netherlands provides solutions for this challenge and is geared to reduce costs for its clients.

Allport is strategically located across the world with teams dedicated to the marine industry. Our superior service and strong local knowledge can match the needs of even the largest, most complex challenge.

Our headquarters is based in Rotterdam, offering all advantages of the largest port in Europe.

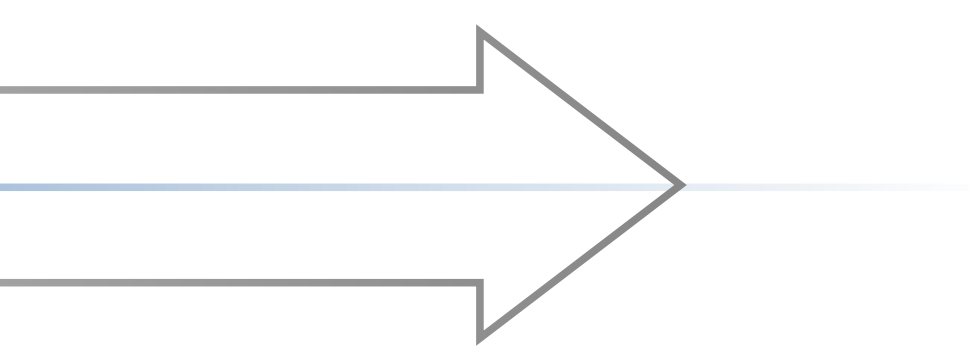

A large stack of blue and white shipping containers at a port. The containers are stacked high, and a crane is visible in the background. The sky is overcast.

We provide solutions
in the marine industry

- Customs formalities

Personal approach

Allport Netherlands B.V. is a full service air, ocean and overland forwarder with offices in Rotterdam and Nieuw-Vennep. The office in Rotterdam is conveniently located to the port of Rotterdam and Rotterdam The Hague Airport. Near Schiphol airport our Nieuw-Vennep office is situated, where we also use 13,500 m² warehousing. We stand out as an independent forwarder through speed, flexibility and a personal approach combined with the advantages of a strong global network. Reliability and flexibility are our key words. Allport Netherlands is a joint venture with Allport Cargo Services Ltd, UK's leading independent freight forwarder. In 2010 Allport merged with key partner CS Logistics Holding Ltd, to create a global presence of 5,500 employees in more than 30 countries and a consolidated yearly revenue of more than one billion US\$.
